Re: Merchandising Staff Update

Dear Trade Partners,

We are pleased to welcome back **Marie Cundari**, Director of New World and Ontario Wines. As of today, she will assume all of her responsibilities for the wines category. We are excited for Marie's return to the Wines team. Marie can be reached at 416-365-5882 or marie.cundari@lcbo.com.

We would like to thank **Kathy Cannon** who was overseeing the category. Kathy will now resume her role as Director of European Wines and Destination Collection. Kathy can be reached at 416-365-5907 or kathy.cannon@lcbo.com.

Thank you for your continued support.

Sincerely,
