Event Details

Date: Thursday, November 7, 2019

City: Toronto

Venue: Royal Ontario Museum

Time: The consumer event will take place from 6:30 – 9:00 p.m. (NVV is also organizing a separate trade event.)

Ticket price: \$150

Format: The event is a walk-around tasting with approximately 75-80 wines (all “Event Exclusives”), targeting 400 customers. Customers will be able to order these Event Exclusive products the night of the event.

Partnership: Napa Valley Vintners Association

PLEASE NOTE: A \$300 charge will be applied in the event that a Smart Serve-accredited Agent is not able to pour their products at the event. Principals from wineries are encouraged to attend and pour at the event, but their participation/attendance is not required, nor do principals need to be Smart Serve accredited.

Donated Product for the Event

Twelve (12) bottles per wine will be required to support the event. We will work to secure the donated products from current LCBO inventory. If this is not possible due to timing, we will cut a separate P.O. to have the product here in time for the event.

Billing for Donated Products

We will charge back the landed cost of the 12 bottles. Should there be any residual inventory of donated products, then the Agents/Suppliers will take the product with them after the event.
