RE: *Realignment of Retail Service Centre Servicing Areas*

Dear Trade Partners:

I am pleased to announce a realignment of our Retail Service Centre distribution areas to prepare for continued growth in the number of grocery outlets being served by LCBO. The migrations will shift volume out of Durham to London and Ottawa to better leverage LCBO's supply chain infrastructure for the benefit of both our retail and wholesale customers.

The following store moves are scheduled to take effect May 7, 2018:

- 15 outlets (LCBO, TBS) currently served by the Durham Retail Service Centre will be migrated to the London Retail Service Centre (details in Appendix A);
- 64 outlets (LCBO, TBS) currently served by the Durham Retail Service Centre will be migrated to the Ottawa Retail Service Centre (details in Appendix B).

Not only will these changes alleviate pressure from Durham and optimize capacity at the other distribution centres, but will also help us improve our overall efficiency in processing daily inbound and outbound volume.

Thanks to all involved in this important realignment and your co-operation in improving the overall service quality across the LCBO network.

Sincerely,

Nick Nanos
