

LCBO

ORGANIC DECLARATION ATTESTATION

Canada Organic Regime import requirement: Anyone who imports organic products must be able to present a valid organic certificate when requested at any time, including at the time of import. **Please use** the [Simplified Canadian Labelling Requirements Organic Product](#) tool for reference while completing this document. This form must be completed electronically, forms filled in by hand will be returned.

Note: Any label artwork submitted through this process will only be used to review the Organic Certificate documentation, artwork will not be reviewed for any other compliance measure.
