

ORGANIC DECLARATION ATTESTATION

Canada Organic Regime import requirement: Anyone who imports organic products must be able to present a valid organic certificate when requested at any time, including at the time of import. Please use the Simplified Canadian Labelling Requirements Organic Product tool for reference while completing this document. This form must be completed electronically, forms filled in by hand will be returned.

Note: Any label artwork submitted through this process will only be used to review the Organic Certificate documentation, artwork will not be reviewed for any other compliance measure.

If existing item; Applicant to provide LCBO Item Number:
