

Returns Process for LCO Operator

- All Sales are final and cannot be returned unless product is damaged, mis-shipped or QA Product Recall
- Only damaged items during transport will be processed for credit
- Customer Complaints must have a valid signed **Convenience Outlet/Retail Store Customer Product Quality Complaint Form (LCB 2457)**
- LCO Operator breakage or customer breakage within the store or after receipt will not be accepted for returns
- **Stockpiling of returns will not be accepted**
- Your returns must be submitted within **48 hours** of your delivery
- QA recalled products must be reported immediately upon notification for shelf removal
- Please quote the QA recall # when requesting pick up of this product
- Driver's will only pick up approved returns which will be accompanied by paperwork, signatures of both Driver and Operator are required.

How to Access the Return Application:

The application is accessible on desktops, mobile or tablet devices. Click this link <https://lco-claims.lcbo.com/> to access the application and enter your Login and Password provided by LCO@lcbo.com click **LOGIN**.

If you do not receive a Login, please contact LCO@lcbo.com

Click this link <https://lco-claims.lcbo.com/> to be directed to the login page, use the email and password provided by the B2B Customer Service Team

The screenshot shows the login page for the LCBO B2B Claims Application. At the top, the text reads "LCBO Welcome to LCBO B2B Claims Application". Below this, there are two input fields labeled "Email" and "Password". A link for "Forgot your password?" is positioned below the input fields. A prominent blue "Login" button is centered at the bottom of the form area.

Once you are logged in, the main screen will be shown as indicated below:

The screenshot displays the main interface of the B2B Claims Portal. The title "B2B Claims Portal" is at the top left, and a user profile icon is at the top right. Below the title, the text "Create a new claim" is visible. Three large blue buttons are arranged horizontally, each with an icon and a label: "Customer Complaints" (with a dollar sign and arrow icon), "Breakage/ Shortage/ Overage" (with a bottle icon), and "Product Recall" (with a bottle and arrow icon).

There are three options to choose from, you can submit either a:

- **Customer Complaints** claim – Customer Complaints
- **Breakage/Shortage/Overage** claim – Breakers, Miss Picks, Defective Product etc.
- **QA Product Recall** claim – Related Q/A alert products

You will be able to track all claims, they will be grouped according to their status type, explained below.

The screenshot shows a search bar at the top with the placeholder text "Search by claim number, status, type..." and a close button (X) on the right. Below the search bar is a list of claim status categories, each with a dropdown arrow on the right:

- Action Required
- Drafts
- Claims in Progress
- Completed with Declined Items
- Completed with Full Approval

Action Required

- Marked incomplete by the LCBO, this means there may be additional information required before the claim can be approved, comments will be left on the claim. You can check them by clicking on the claim in question

Drafts

- Claims that are in process of being completed by the Operator

Claims In Progress

- Submitted claims that have yet to be reviewed by the B2B Customer Service Team

Completed with Declined Items

- Submitted claims that have been reviewed by the B2B Customer Service Team with some products being declined. When items are declined the reasons will be communicated through the comments

Completed with Full Approval

- Submitted claims that have been reviewed by the B2B Customer Service Team and approved

Customer Complaints

1. Click **Customer Complaints** button on the main screen; read the instruction shown below and click next:

Refund Claim
#1341

1 Instructions 2 Basic Info 3 Items

Instructions for Refund Process

Submit a request for return/refund for **Customer Complaint Claims ONLY**

- A completed and signed copy of the "Convenience Outlet/Retail Store Customer Product Quality Complaint Form" (LCB 2457).
- Provide a clear picture of the affected product.
- LCBO will review the submission and inform the store agents if the return is approved or declined or request additional information through the claims application.

Refer to the LCBO Convenience Outlets Manual for Authorized Store Agents, available online at www.doingbusinesswithlcb.com for further instructions.

3. Click **Add Item** to add at least one item to your claim. For each item being claimed all details and pictures are mandatory.

The screenshot shows a mobile application interface for a 'Refund Claim'. At the top right is a blue 'X' icon. Below it, the title 'Refund Claim' is displayed in bold, followed by the claim number '#1341'. A horizontal line separates the header from a progress indicator consisting of three circles connected by a line. The first circle is labeled '1 Instructions', the second '2 Basic Info', and the third '3 Items', which is currently selected and filled with blue. Below the progress indicator, the section 'Item Details' is shown, containing a prominent green 'Add Item' button. At the bottom of the screen, there are two buttons: a grey 'Previous' button and a green 'Submit' button.

4. Click Add Item:

- Enter the LCBO item number and click the magnifying glass, the application will auto populate the item description field
- Enter the quantity by **units only**, do not enter the quantity by cases
- Enter reason for return
- Click **"Add Photos"** to upload supporting pictures or files from your mobile device or computer

Note: The "Save item" button will be available if all mandatory fields are populated.

Instructions for Adjustment Process

Breakage/Shortage/Overage

Submit a claim request for credit when a product is received damaged; missing products; or to report an overage.

- Claims must be submitted within 48 hours of receipt of an order.
- A signed copy of the Product Summary Page of the Invoice. (Not the delivery invoice)
- **Carrier Name:** The name of the company that delivers your orders, i.e., Canada Cartage, Gardewine, The Beer Store, etc.
- Product Damages: a **clear photo(s)** of the damages is required to process the claim and must be uploaded to the claim request. If you receive a case with partial units damaged only claim units that are damaged. If there are units that are still saleable condition these are not to be included in the claim.
- When you receive an incorrect item in place of the item you ordered (miss pick):
 - Step 1: the customer is required to submit the product ordered under claim category: Shortage
 - Step 2: the customer is required to submit the product received in error under claim category: Overage
- LCBO will review the submission and inform the store operator via email if the claim is approved or declined, or additional information is required.
- To see the comments and edit an incomplete claim, click the claim number and provide the required information.
- **Do not send damaged product back with the driver at time of delivery.**

Refer to the LCBO Convenience Outlets Manual for Authorized Store Agents, available online at www.DoingBusinesswithlcbo.com for further instructions.

2. Fill in Mandatory Fields (*) and upload an Order Invoice file or photo and click next.
